You Live But Once!

There is just one place where real enjoyment is possible — HOME.

Can't you vividly recall the OLD HOME where your childhood was spent? Can't you remember it as though of yesterday?

And yet - is your own HOME as pleasant and comfortable as you can afford to make it? Is it?

The family's happiest hours are spent in the living room. It is the one room that should be cozy and comfortable.

FRESH OYSTERS

GERMAN GIRLS ARRESTED.

Streets of Coblenz, Coblenz, Tuesday, Jan. 14 (by the Associated Press).—Twenty German girls

who were engaged in sweeping streets at Andernach, near here, have been arrest ed charged with a violation of General Pershing's order, forbidding them to talk with American soldiers. These arrests have served to emphasize the determinaation of the American command not to permit fraternization in the occupied re- lows Falls. Approximately the same number have been proven guilty of violating here from Boston for a short vi-the order and have been deported to family is in Erie, Pa., for a visit. points within the German lines.

NOTES RED

The next big thing ahead of the Red ross branches of the country is the making of garments for the refugees of northern France and Belgium, and to the New England division has been as-

ig to the places that were their homes, here hundreds of villages and over 20 arge cities have been destroyed, and there living conditions are terrible. At he best, some time must elapse before hese conditions are bettered to any great extent and in the meantime the weather cold and the refugees have only such othing as their captors allowed them to etain. That is why the Red Cross has aken upon itself the task of providing arments for the stricken people, who re doing the best they can to help them-

There are no stores in which they can ly clothes, they have no homes in which make clothes and no facilities for naking them if the material were avail-The only thing that stands be ween these people and suffering or death rom the lack of necessities of living is structed in the United States during the he American Red Cross, and the clothing war were built by the government, the vailable this winter.

ork is 2,300 garments and Barre must its part. Now that knitting is susended, it is urged that all hands turn to he new work and devote as much time possible to it. The garments are beng shipped abroad as fast as they are ceived at the New England division varehouse in Boston and cable requests om abroad call for more and more. By March I the bulk of these garments must e either in this warehouse or on the way rom the chapters.

New workers are solicited and it is hought the urgency of the case will ause all who have been engaged in the ork to redouble their efforts. So far s known at present, says official word rom Boston, this will be the last large ork of the kind asked from the women New England.

The bureau of supplies is to-day cuting, assembling and shipping an aver-ge of over 12,000 garments a day for he different chapters in the New Eng- of the war.

The attendance at the local work oms has been good lately, and a numr have called to take work home, but more would come for home work it ould be much appreciated. The dresses ow on hand at the sewing room can be asily made by any woman at home. Von't you take one or two yourself?

It is suggested that all knitted articles process of manufacture be finished and that agreement. broken skeins made up into knitted ticles. All finished articles should be eturned to the work room as soon as ossible, with the yarn remaining, which ill help those in attendance to get the hipment ready on time the first of Feb-

Demobilization has been so rapid that headquarters it is felt enough knitted rticles have been completed to provide or the army and navy in New England, and this will leave the refugee work the main occupation for the next two

AMERICAN SHIPPING WILL BE SUCCESSFUL IN WORLD COMPETITION

Will Be Enabled to Keep the Seas Open to Great Business Development Under Policy Just Adopted.

Paris, Jan. 16 (by the Associated Press).—American shipping abled to make rates in successful com-At this time the refugees are return. petition with other maritime nations and keep the seas open to the great business development expected with the end of the war under the provisions of a shipping policy adopted by the United States overnment, it was learned here to-day. Formulated by E. N. Hurley, chairman of the United State shipping board, after an extensive investigation, this policy which has been officially approved. poses to write off virtually \$1,000,000. 000 from the cost of American shipping bill during the war and possibly a proportionate write-off from the valuation of American shippards. This write-off, according to the plan, would apply to ships worth approximately \$3,000,000, 000. It is expected that the moral force of the government, in making such a re duction, will bring privately owned shipping into the plan. As all ships con-

oust be made quickly so that it will be percentage of privately-owned shipping tation, after pointing out that the Brit affected is small. Washington county's share of this after-the-war basis has been chosen rather than plans calling for reductions in arately, the French colonies and pro-Officials were convinced, after exhaustive study, that one of these alternatives was necessary if the United States was to compete with foreign nations under the high standard established by Congress for maritime labor.

> GERMAN TREASURES REVEALED American Troops Find 150 Guns and Much Valuable Leather.

Coblenz, Tuesday, Jan. 14 (by the Associated Press). Treasured German war material continues to be revealed as American troops search the vast ware ouse area in Coblenz and vicinity. Offi eers to-day found more than 150 guns of 77 callbre and leather worth half a million dollars. The guns and leather come into the possession of the Americans as abandoned material under the terms of the armistice. The cannon are virtually all as good as new, having apparently been repaired during the last few months Since the Americans have arrived, the

warehouses have all been guarded by troops, but the chain of storage places in the region of Coblenz is so extensive that the Americans have not yet completed their investigation as to what material is stored in various places. All military stores, food, munitions and equipment belonging to the German army on Nov. 11 and which were not removed during the period fixed by the armistice are forfeited under the terms of

LONDON PAPERS PROTEST.

Against Secret Sessions of the Peace Congress.

London, Jan. 16.-Morning newspapers ive much prominence to Paris dispatches eferring to the decision that the proeedings of the peace congress are to be secret and contrast with the officia statement that there would be no censor ship, which was issued vesterday. None of the papers comment editorially but most of them express surprise and disapproval by big headlines and by introductory sentences.

Protests are made that the regulation Regular meeting Barre polishers' if maintained, will keep the public combranch, G. C. I. A., will be held in their pletely in the dark as to some of the hall, Nichols block, on Thursday even important features of the negotiations. Some believe it will be difficult to carry out this "draconian decision.

A. P. Abbott Co. Have Sold Their Business

All goods out on memorandum they are asking to have paid by the 20th of this month, if possible. They are to close the corporation at once. Memorandums not paid will later be sold to some collector. They very much prefer to receive these amounts themselves. For a few days these can be paid to Mr. Abbott, Mr. Morse, or to the cashier at Adams Co. store, Barre, Vt.
